It is singular how "doctors differ"
about even such matters of hygiene as
the propriety of eating meats. There are
not wanting those who will tell you
that a man is not a man until he has
eaten a good meal, and prove it by the
fact that a man who has not eaten a good
meal is not a man.

There are also those who will tell you
that a man is not a man until he has
eaten a good meal, and prove it by the
fact that a man who has not eaten a good
meal is not a man.
